

HOW TO REACH VILLA CAROLINA:

Below you can find a simple guide to reach Villa Carolina.

Remember that check-in is from **15.00 to 17.00** and that from the port, taking into account also transports such funicolare or taxi from the port to Piazzetta, and the delivery of your suitcases to the luggage service, it will take about 40 minutes to reach the Villa. We kindly ask you to advise us in advance for any delay at the number indicated above.

From the Port to the Piazzetta of Capri

Once you land at the port of Capri (Marina Grande), you have to reach the famous Piazzetta, the main square of the island. You can choose between funicolare (cable railway), taxi or bus. We suggest you to take the funicolare or the taxi. The cost of the funicolare ticket is € 2.00. Tickets can be purchased at the port of Naples or Capri at the ticket office located at the end of the arrival pier, on the right. The duration of the ride is approximately 4 minutes. Alternatively, the price of a taxi ride from the port of Capri to the Piazzetta is around € 20.00. The duration is 10 minutes.

It is possible already from the port as soon as you have disembarked, right at the exit of the hydrofoil/ferry to deliver your luggages to the Portage Cooperative who will deliver them directly to the Villa. From the port of Capri to the Piazzetta the cost of the service (which you will have to pay directly to the porters) is € 5.00 per package, the rest (for a maximum of one suitcase per person) is at our expense. Just communicate the destination to the porters: Villa Carolina, Via Cesina 26 and you will find your suitcases directly in the Villa! The service is fast and secure. **We strongly suggest you to take advantage of the service luggage in order to enjoy the splendid walk towards the Villa.**

From the Piazzetta of Capri to the Villa (about 15/18 min)

Once arrived at the Piazzetta take Via Longano. The entrance to this street is located in the Piazzetta between Tod's and La Parisienne stores. Follow the road – which will become Via Sopramonte – for about 10 minutes. When you reach a large crossroads, take the uphill on the left called Via Tiberio and go straight on for about fifty meters (165 feet). On the left you will find Via Cesina. Take the road and continue almost to the end of the street, up to the number 26. On the right you will find the entrance to Villa Carolina.

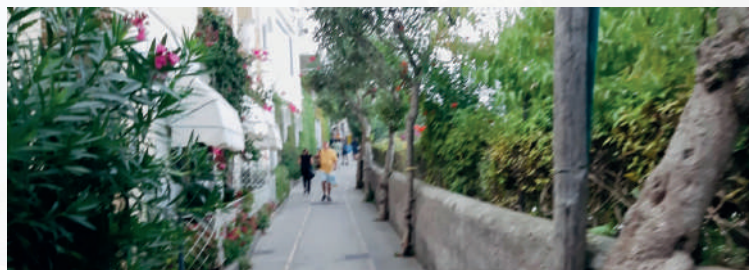

Nicolina, our housekeeper, will be there to welcome you!
