

HOW REACH VILLA CAROLINA

Below you can find a simple guide to reach Villa Carolina.

The check-in is **from 15.00 to 17.00** and from the port it will take about 35 minutes to reach the Villa. We kindly ask you to advise us in advance for any delay at the number indicated above.

HOW TO REACH THE VILLA STEP BY STEP

Step 1. From the Port to Capri city center (about 15/20 min)

Once you land at the port of Capri (Marina Grande), you have to reach Capri city center and the famous "Piazzetta" (Capri main square). You can choose between funicolare (cable railway), taxi or bus. We suggest you to take the funicolare or the taxi. The cost of the funicolare ticket is € about 2.00. Tickets can be purchased at the port of Naples or in Capri at the ticket office located at the end of the arrival pier, on the right. The ride is approximately 4 minutes. Alternatively, the price of a taxi ride from the port to Capri city center is around € 20.00. The taxi ride is about 10 minutes.

Step 2. From Capri city center to the Villa (about 15/18 min walking)

Once arrived in Capri city center and reached the famous Piazzetta, go to Via Longano. The street is located in the Piazzetta main square between Tod's and La Parisienne stores. Follow the road - which will become Via Sopramonte - for about 10 minutes. When you reach a large crossroads (just before Dodeca supermarket), take the uphill on the left called Via Tiberio and go straight on for about fifty meters (165 feet). On the left you will see Via Cesina. Take this road and continue almost to the end of the street, up to the number 26. On the right you will find the entrance of Villa Carolina.

Nicolina, our housekeeper, will be there to welcome you!

SERVICE LUGGAGES

Capri Island is mostly pedestrian. Therefore the Villa is reachable only by foot. We suggest you to take advantage of the service luggages that you can find at the harbor when you get off from the hydrofoil/ferry or in Capri city center near the famous "Piazzetta".
